## >>> MEET OUR PRESIDENTS

LAUREN BURDINE & CAROLINE CUNNINGHAM

Lauren and Caroline are both seniors at TCU with majors in Strategic Communication and minors in General Business. They joined PRSSA during their sophomore year and have loved it ever since. They are excited to help members network with public relations professionals and form connections with one another!

## WHY PRSSA? <<<

PRSSA offers incredible networking and leadership opportunities. Guest speaker meetings allow members to learn about areas of public relations that they might not be familiar with. Members may discover they are interested in a field or job that they have never considered before. PRSSA also hosts fun events. As pictured on the right, a group of TCU PRSSA members attended a Dallas Mavericks game. The group got to meet the CEO of the Mavericks and hear from the PR team.

## >>> GUEST SPEAKERS

NEXT MEETINGS: NOV. 13 AND DEC. 4

This year, we've had speakers from REV Entertainment at Texas Rangers Baseball Club and Cook Children's Health Care System. Our meetings feature a variety of speakers to expose members to the many fields and careers available in public relations.
